*The nature of the flesh, the mindset of the flesh, is the god in you.*

For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil. (Gen 3:5)

*The god in you is ego and the ego is all about protecting-blessing oneself.*

*The god in you lives in judgement because you are a god and you think your all knowledge. (Aside from the Word being in you at Creation which is life and truth.)*

*The god in you designates levels of evils based upon its own justifying consciousness whereas our Lord never designated sin-evil-errors at any sort of level or depth of the thought-act.*

*Lets summarize who God is according to His Word;*

*God is LOVE. God is perfect, his ways are perfect. He is righteous in all His works, perfect in knowledge, mighty in strength and wisdom. Furthermore, the WORD is God and EVERY word is pure. God is light and there is NO DARKNESS in Him at all!*

*He did not come to destroy, but to fulfill because He is a Sun and Shield, resurrection, life, and His love endures forever.*

*You are a god, and God being who He is, why would you think he would interfere with you in the same manner you interfere with Him and separate yourself from Him?*

*God has all knowledge of everything that happens in Creation from the day of Creation and knows exactly how you will react in any second year of life.*

*God has made the adjustments accordingly when he said; "It is finished" (Gen 2:1) and your living life out in your godly way being in goodnesses verses evils and with an eternal spirit-soul that lives forever.*
